## January & February Newsletter

Hello Church Family & Friends,

Our Advent & Christmas season was a very busy time of the year. We had breakfast with Santa (Dec 7) and our second ever Christmas Community dinner and caroling event (Dec 17) with many guests from our neighborhood. We held our first joint fundraiser, the cookie walk and pork chop dinner raising \$1,390 at this event. Shared our famous Christmas cookies during coffee hour. Spent many hours decorating our sanctuary and social hall for the Christmas season together. You have been so generous this time of year by supporting our Memorial Angels sale to decorate our sanctuary tree with, donating Poinsettias for our altar, and donating items for our warming and giving tree for members of our community. We are truly blessed. As we move through this season of giving, let's ensure that the spirit of the season extends long after the decorations have come down; Advent & Christmas at church in July? Now, there's a thought!!!

As we have been thinking about LOVE, how we love our church, and all that's going on around us this past year, we are reminded of what Jesus said when asked what the greatest commandment is: "The most important one," answered Jesus, "is this: 'Hear, O Israel, the Lord our God, the Lord is one. Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these." (Mark 12:29-31) Love. That's what it all boils down to for us. Many of us have grown up singing the hymn, They'll Know We Are Christians By Our Love. Unfortunately, that doesn't seem to be what Christians are known for these days.

So, February is the month of LOVE. Did you ever think about it truly? Why do we need a month to celebrate LOVE? We can and should do it year round. In December we lit the 4th candle of our Advent wreath that celebrated God's love for us. How do you show your LOVE for your loved ones? How do you show your LOVE for our church? How can we expand that LOVE to others? Is LOVE the answer in bringing PEACE ON EARTH? The way to truly experience and share the love of God in our homes, neighborhoods and world is through love. Loving God (Mark 12:30), loving one another (John 15:12), loving our neighbors (Mark 12:31; "Who is my neighbor?": Luke 10:25-37), even loving our enemies (Matthew 5:44). Pretty sure that covers most everyone in our lives. Loving others day in and day out is hard. . Simply ask yourself, in each conversation and action, "Is this word or deed a way to show the love of Christ to this person?" Again, it's an easy thing to think and ask ourselves — it's in doing it that becomes more difficult. But wouldn't it be nice if we were known for our love.

So, please join us at church in all the events listed in this newsletter, and help us spread the LOVE for our church out into the community showing them what an amazing church we have.

## **And now we welcome the new year. Full of things that have never been. ~ Rainer Maria Rilke**

I lean toward optimism. I see the glass half full more often than half empty. I lean that way, not so much because I am confident that everything always turns out for the best, I know better than that. Nor because I prefer to ignore the bad in favor of the good, I'm too much of a realist for that. Rather, I lean toward optimism because of God. Christmas reminds us that God in Christ lives in our world, everywhere, all the time. Therefore, the deck is stacked in our favor, so to speak. That isn't to say we're never dealt a bad hand or that sometimes we choose. But whatever the circumstance, in some way or another, and often in ways we never fully see, if we see at all, God is at work lovingly and gently guiding me, you, all people, and all creation toward a world filled with what our Jewish friends call Shalom.\* This coming year of our Lord, 2026, we the people of Kenilworth and St. Stephens Bethlehem United Churches of Christ will continue the journey of discernment regarding full merger. During the coming months, I will design some get-to-know each other activities, lead two graced history events (during which we'll learn about each congregation's history), and create workshops to help us answer the question, "Who and what is God calling us to be and do moving forward?" Please plan to participate. I promise it will be meaningful and even fun!

So, we embark on another year, 2026, which, for each of us, individually, and as a church community, will be "full of things that have never been." Whatever comes, though, God is in all things, and that makes all the difference.

May God's presence live in and through you and bring peace in all of your moments!

\* Shalom (שָׁלוֹם) is a rich Hebrew word meaning peace, wholeness, completeness, prosperity, and well-being, used universally as both "hello" and "goodbye" in Israel, conveying a blessing for a complete and harmonious state of being, extending beyond just the absence of conflict. It signifies a deep, foundational completeness that includes personal, interpersonal, and societal flourishing, originating from the root idea of being whole or complete (shalem).

## Hope & Joy Food Pantry News:

### **OUR GOALS**

The Hope & Joy Food Pantry's goal is, and always will be, to ensure the community that surrounds us always has access to nutritious food options. However, we are always looking for new and better ways to achieve this goal and serve our neighbors! To that end, the Hope & Joy food pantry has several projects and initiatives in our pipeline which we hope to implement over the next 1-3 years.

1. Our garden has provided fresh produce to the clients we serve during good harvest months. Over the coming years, we hope to expand into a true Community Garden that can provide ample produce to our clients and be sold to the community at large through local farmer's markets.
2. We hope to become a source not just for supplemental food for those in need, but also for education on food security, growing your own food at home, and enrichment resources in community, so that our clients may find avenues with which to better their lives.
3. We are looking to provide expanded availability for our clients in the coming years! We hope to utilize donations from our generous donors and fundraisers to allow us to serve over 100 families each week, and perhaps expand our hours of operations to allow additional flexibility.

**Food Pantry Hours of Food distribution: Sundays 1-3pm, Mondays 5-7pm & Wednesdays 1-5pm. If you can help out please contact Kim at**
